RELIABLE BY DESIGN

MEPACO, part of Apache Stainless Equipment Corporation, is exhibiting at Process Expo held at the McCormick Place Convention Center in Chicago (October 23-25, 2023) at Booth 4804.

Process Expo, The Global Food Equipment and Technology Show®, represents the pinnacle of food technology bringing together the world's most successful food and beverage processors, packaging professionals, equipment manufacturers, and leaders in the field of academia.

MEPACO provides food processing solutions that include blending, cooking, dumping, conveying and material handling solutions to the nation's essential food producers. Our equipment and systems are customized to specific applications, and we support the industry with engineering, controls, parts, service, and transportation. Since 1932, MEPACO has developed a vast understanding of the food processing industry, as well as extensive expertise on thermal processing equipment.

The MEPACO team; Tom Hoffmann, Cory Buchholz, Greg Gruber and Dustin Means, are available to answer questions or to provide a sit-down meeting. Contact one of the team members for a project review at the show.
